If you will be qualifying soon or if you CCT'd within the last 2 years then please join us!

The New to Practice Fellowships will build on our existing offer of careers advice, facilitated employment discussions, CPD, mentoring and peer support. You should now be able to access funding to have time to engage with our programme and enable you to pursue your interests during this early stage of your career. We would welcome all existing members of the New to Practice Scheme and anyone keen to learn more.
